

DAVID ZILBERMAN is a Professor and holds the Robinson Chair in the Department of Agricultural and Resource Economics, University of California at Berkeley. Dr. Zilberman's areas of expertise include agricultural and environmental policy, water, marketing, risk management, the economics of innovation, natural resources, biotechnology, and biofuels.

He is a Fellow of the Agricultural & Applied Economics Association (AAEA) and the Association of Environmental and Resource Economists. He is also the president elect of AAEA and member of European Academy of Sciences and Art. He served as Department Chair from 1994 to 1999 and Director of the Giannini Foundation of agricultural Economics from 2003-2007 and 2007-2009. He has received the AAEA Outstanding Journal Article Award: Choices (2011), AAEA Publication of Enduring Quality Award (2005, 2010), AAEA 2015 Quality of Communication Award. He received the UNESCO International Cannes Prize for Water and the Economy (2000). He was nominated by the AAEA for the World Food prize.

He has been a member of more than 130 Ph.D dissertation committees, chairing more than 60 of them. He has published 350 refereed articles in Science, the American Economic Review, Econometrica, the American Journal of Agricultural Economics, the Journal of Environmental Economics and Management, among others, and has edited 21 books.

He has served as a Consultant to the U.S. Environmental Protection Agency, the U.S. Department of Agriculture, the World Bank, the Food and Agriculture Organization, and the Organization for Economic Co-operation and Development, and various California state agencies. He has served as a consultant to Mars, BP, Netafim, Monsanto, Bank of America among others. He has also served on the Boards of many organizations, including the AAEA and the Council on Food, Agricultural and Resource Economics, as well as on three National Research Council panels.

He is the Co-founder of the International Water Resource Economics Consortium and the International Consortium of Applied Bioeconomy Research. He established and is the Co-director of the Beahrs Environmental Leadership Program at Berkeley and the Berkeley Master's of Development Practice.
